MINISTRY OF FOREIGN TRADE AND SUPPLY

PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 22nd September 1969

SUBJECT.—*Import Policy for Registered Exporters for the year April 1969—March 1970. (Amendment No. 40).*

No. 159-ITC(PN)/69.—Attention is invited to the Import Policy for Registered Exporters contained in Volume II of the Import Trade Control Policy Book (Red Book) for the year April 1969—March 1970, issued under the Ministry of Foreign Trade and Supply Public Notice No. 44-ITC(PN)/69, dated the 31st March 1969.

2. According to Public Notices Nos. 107-ITC(PN)/69 dated 26th June 1969 and No. 113-ITC(PN)/69, dated 7th July 1969, import of Sodium hydrosulphite and its formulations was allowed upto 20% of the face value of licence against the Export Product at Serial No. N. 1 of Volume II of the Import Trade Control Policy Book i.e., Mill-made cotton fabrics (other than grey) in respect of licences issued on or after the 26th June, 1969.

3. The matter has been reviewed and it has now been decided that even in respect of import licences issued prior to 26th June, 1969, import of sodium hydrosulphite and its formulations could be allowed up to the face value restriction of 20 per cent on specific endorsement by the licensing authorities, provided that such licences are valid on the date on which these are presented to the Licensing authorities for endorsement of the item.

4. It will be seen from the remarks under Column 4 against serial numbers N. 2 to N. 5 on page 141 of Vol. II of the current Red Book that the items of import allowed against these serial numbers are the same as against serial number N. 1. It is, therefore, clarified that the facilities provided for in paras 2 and 3 above are also applicable to exports of products mentioned under Column 2 against serial numbers N. 2 to N. 5.

R. J. REBELLO,

Chief Controller of Imports and Exports
